

## Court procedures Germany, first instance and appeal to court of Appeal

### In exceptional cases, revision of the court of appeal court decision is granted to the Federal Court of Justice (BGH)

Fees for the civil procedure are not very high. As an example, the court fees of a dispute of EUR 1 mio. amount in 1. instance to EUR 17.643,00 and in 2 instance (appeal) to EUR 23.524,00. see fee scheme at [Anlage 2 GKG - Einzelnorm \(gesetze-im-internet.de\)](http://gesetze-im-internet.de/Anlage_2_GKG_Einzelnorm).

Court fees are to be paid upon initializing the procedure. Further fees may be requested from the court in the course of the proceeding, e.g., for translation services or expert opinions as the court may held appropriate. In case the amount is questioned, the court will set such amount upon request of one party.
